New Business: Denny read a letter that was very to the point that he is sending to the editor. He is upset with the town antics, papers being stolen and other such things happening. Feels that the group needs to stand up and tell them what they think. For the first time he is ashamed of Newton Falls. Rick spoke out the it was wrong to take the newspapers. Feels that everything is being taken personal. People are being made to feel they have to take sides. In the meanwhile we are being made the fools of Trumbull, Mahoning and Mercer Counties. Rick Z spoke saying that it is not all wrong and not everyone on counsel. He said some vote for themselves not for the people they are representing. He says the mayor would like to come and clear the air about what is going on. Denny said everyone should be promoting the betterment of Newton Falls and there should not be 2 sides. Rich said that counsel should stay out of politics and that it was wrong to have some of this stuff on TV.

Jennifer Stocker bought the Disable Mobility building. She has 5 employees. They do taxes.

Rick would like to return to having monthly ads in the paper promoting the positives of Newton Falls.

City Manager Handout – They are working on getting an urgent care in town, next to Rite Aid.

Communications – Next Thursday there is a meeting at 6pm. The Board of Education will be deciding whether to renew the contract of the Superintendent. Rick is asking for support for Dave at this meeting.
